Noble's Presents:

DIGITAL PHOTOGRAPHY
… a beginner class

2 Wednesday Evenings of each month!

Photo by George Loring

Larry Corthell

Taught by Larry Corthell, a local photographer and digital enthusiast who also manages our Hingham Square store. Known for his ability to explain complex subjects in easily understandable ways, Larry will walk you through the basics of using your digital camera. You will cover a full range of information including: How to set-up your camera for different shooting situations; how to download, view and adjust your pictures; how to print and email your pictures. You'll also learn about the exciting and easy new way to order prints from your digital camera utilizing the Internet!

All for $100.00

(Bring a second person with you and save $20.00 off of their tuition.) Space is limited, enroll now!
